Toronto, Ontario, May 25, 2018 – Melior Resources Inc. (TSXV: “MLR”) (“**Melior**” or the “**Company**”) is pleased to announce that its board of directors has approved a consolidation (the “Consolidation”) of the common shares in the capital of the Company (the “Common Shares”) at a ratio of ten pre-Consolidation Common Shares (the “Existing Shares”) for one post-Consolidation Common Share (the “Consolidated Shares”). Subject to the approval of the TSX Venture Exchange, the Company anticipates that the Consolidation will take effect during the week of June 11, 2018 with no change being made to the Company’s name. As a result of the Consolidation the number of outstanding Common Shares will be reduced from approximately 289,799,779 Common Shares to approximately 28,979,978 Common Shares. The Consolidation will also apply to Common Shares issuable upon the exercise of the Company’s outstanding stock options and warrants. Letters of transmittal will be mailed to the registered holders of the Company’s Existing Shares, requesting that they forward their share certificates to the Company’s transfer agent, TSX Trust Company, for exchange for new share certificates representing their post-Consolidation Common Shares.

No fractional shares will be issued as a result of the Consolidation. In the event a shareholder would otherwise be entitled to receive a fractional share from the Consolidation, the number of Consolidated Shares to be received by such shareholder shall be rounded down to the next whole number of Consolidated Shares.
